

## What Lisa says about her journey to *No Matter What!*

*Well after two years of working endless hours, writing over 150,000 words, laughing at sections of my life, crying through the really painful chapters and praying to have the courage to get it done, **it's here!***

*You may have encouraged me through a low moment, listened as I finally got it right, rejoiced with me as I finished another chapter, or prayed for me as I struggled to tell the hard parts of the journey. Whether you did any of these things, all of them or none, your presence in my life has helped this wonderful blessing to come about. Thank you! Thank you! Thank you!*

Yes, **No Matter What!** is finally out!

It's no accident that the strongest muscle in your body is your heart. You need it if you want to achieve the life YOU were born to lead. You absolutely need to harness the power of your emotional strength. And that's what you will learn on the pages of my new baby.

I poured my whole heart and soul into this book. As my grandmother would say, "*I put some skin in*", to inspire you to overcome EVERY obstacle and LIVE the LIFE YOU LOVE! It's in times like this that we must dig down deep into our determination and push past any fear and doubt to stand inside of our strength and perseverance. This book can be your guide for doing just that!

I'm pleased to offer this special book to you today. If you've ever asked how I have achieved the level of success that I now enjoy with all of the challenges I have had, then in this book, your questions will be answered. I hope you get a copy, read it over and over, make shifts in your life, and share the book with your friends. You might even want to purchase an additional copy as a gift. The greatest gift that we can give right now, is the gift of inspiration.

Plus, if you order the book in the next 48 hours, I will also include a one-hour professionally produced audio program using the principles of **No Matter What!** I think this program, itself, is worth twice the cost of the book. You might just find yourself listening to it over and over until your book arrives.

You'll receive two other bonus recordings that I created for you, as well as free admission into a workshop I'm doing all across the country.

So please, right now, go to <http://www.Lisa-Nichols.com/lisabook> and get yourself a copy. This book really will help you rise above and even benefit from any challenge you're facing— whether tough relationships... the recession... jolts that derail your best intentions... lapses in integrity... faltering determination... resistance to getting ahead—no matter what!

As a featured teacher in *The Secret*, she preached the Law of Attraction, but now, for the first time, she reveals her own secret to happiness: the Law of No Matter What.
